To 9: Attached is a listing showing our best guess of the numbers of unpaid contacts in the U.S. academic community - by state - by year from 1970 to present - as per request of Loch Johnson, 25X HPSCI Staff.

The attached answers all the questions on your note although Alice doesn't say so. None of the contacts are covert, not for research, etc. OTR has also been queried and will forward when I get it.
